

Established cor.

Set c.m. over Crockery

Stone is out in a field with nothing to tie to. We lowered it 18" and set an iron pin on the North side. We set 2 iron pins out on the shoulder of G-76. Turned angles from pins and flag pole at Gullion Dam, and got Dist from pins to CM.

Est Car 15-74-19
Set - 11-29-39
Notes - Wignall
