

Found 12" x 10" x 4" white limestone
 over a horseshoe tile in vertical position.
 Lowered 1 tile in horizontal position
 N. & S., placed C.M. over it. Tile 12"
 below surface, rock on north side.
 Mar. 31-41 Found C.M. & tied it
 in lime rock on north side of Mon.
 3" under surface. Top Mon. 12"
 under top surface.

Note: Present land owner, C. Van Den Burg,
 stated he would set a post at C.M.
 to preserve its location because
 of no close ties.
